DR. H.V. HANDE: Mr. Speaker, Sir, before this Bill is taken up for consideration, I want to raise a point of order under Rule 91 of the Assembly Rules. It says—

'If notice is given of any motion in respect of a Bill or an amendment which, in the opinion of the Speaker, cannot be made except on the recommendations of the Governor or with the previous sanction of the President, the Speaker, shall, as soon as may be after the receipt of the notice,refer the Bill or the amendment to the authority who would have the power to grant the recommendation or sanction, and the motion shall not be placed on the list of business unless the recommendation or previous sanction required has been granted.'

Sir, we were told the other day when the Bill was introduced by the Hon. Minister that the Bill was referred to the President of India for his consent to its introduction. He then told us that he had not given his consent to it. Now I would like to know whether the sanction of the President has been given and if so,when it has been given by the President. According to the rule I have just now referred to, if the Hon. Speaker thinks it has to go to the President for prior sanction, till that sanction has been granted, the Hon. Speaker cannot authorise the Ministry or anybody to put it in the list of business. So, I want to know whether it has been granted or not. That is point No. 1. My main point is that this Bill is out of order.

I come to the next point. This is in effect an Amending Bill. Bue in the short title of the Bill it is not stated that it is an amending Bill,nor it is stated by the Hon. Minister while introducing the Bill. In the printed copy of the Bill, it is stated—

'*Short title and commencement*.—(1) This Act may be called the Tamil Nadu Land Reforms (Reduction of Ceiling on Land) Act, 1970.'

So, in the short title there is no reference that it is an amending Bill. But if we go into the provisions of the Bill, we will find that clause 3 of the Bill refers to the principal Act and therefore it is an amending Bill. It is not stated so in the title of the Bill. This Bill has been drafted in a very haphazard manner. I do not know who are the persons who have drafted this Bill. So my point is that it is clear that this is an amending Bill to the Original Act.
